

December 10, 2015

Dear Valued Provider,

Effective October 5, 2015, all behavioral health providers interested in joining the Cenpatico network will need to initiate the credentialing and contracting process by visiting [www.cenpatico.com](http://www.cenpatico.com). Once on the website, under the "Providers" tab, choose your state and then click on the "Join Our Network" tab, complete the form and submit all necessary documents.

In addition, CAQH (Council for Affordable Quality Healthcare) registration is required in order to be considered for participation in the Cenpatico Network for individual and group providers.

On the CAQH website, all provider information should be current and in an active status. Providers must allow Cenpatico access to their information and must update their information regularly. Please include your Certificate of Insurance and W-9 on the CAQH website. If a provider's information is not current, or if Cenpatico cannot access the provider's information, Cenpatico will not proceed with the credentialing process.

If you are not registered, please complete the registration process online at [www.caqh.org](http://www.caqh.org). Thank you for your interest in partnering with Cenpatico.

Sincerely,

Network Management Team
