Dear Cenpatico Provider:

Effective July 1, 2016, Cenpatico will align our billing guidelines to follow the recent changes implemented by the Illinois Department of Alcohol & Substance Abuse (DASA) and the Illinois Department of Human & Family Services (HFS). The table below outlines the standardized billing codes and claims submission process Cenpatico will follow for reimbursement of services rendered by DASA certified providers. The HFS encounter claims system will only accept encounter claims from Cenpatico that meet these standardized claims submission requirements. Your agency will be required to bill all outpatient DASA services on a CMS 1500 (837P) claim form. All institutional DASA services must be submitted on a CMS 1450 (837I) claim form. When billing on a CMS1450, the bill type must be outpatient 089X.
