## STAR+Plus Program

Cenpatico invites you to join us for a Town Hall meeting for STAR+PLUS, a Texas Medicaid managed care program delivering mental health and chemical dependency services to eligible residents.

Superior HealthPlan members in the Dallas, Ellis, Collin, Hunt, Navarro, Rockwall and Kaufman counties who receive their behavioral health benefits through Value Options, also known as NorthSTAR, will now receive these benefits through Cenpatico.

Cenpatico will begin managing these services effective **January 1, 2017**. We will be covering topics such as eligibility verification, authorization process, claim submissions, and payments.
